50 let IPSC

Vážení přátelé praktické střelby,

rok 2026 je pro naši komunitu výjimečný. Mezinárodní konfederace praktické střelby – IPSC – slaví 50 let od svého založení. Půlstoletí, během kterého se z malé skupiny nadšenců stala největší a nejprestižnější organizace praktického střelení na světě.

V květnu 1976 se v Columbii ve státě Missouri sešlo několik střelců z celého světa pod vedením legendárního Jeffa Coopera. Tehdy položili základy sportu, který spojuje tři základní principy:

Diligentia – Vis – Celeritas

(Přesnost – Síla – Rychlost)

Z této konference se zrodila organizace, která dnes sdružuje více než 250 000 aktivních závodníků ve 108 regionech napříč všemi kontinenty. Každý rok se po celém světě uskuteční stovky mezinárodních závodů.

Rok 2026 je proto celý věnován oslavám tohoto milníku. Důkazem je i letošní IPSC Nationals s oficiální pečeti 50. výročí – připomínka toho, odkud jsme přišli a kam společně směřujeme.

Děkujeme, že jste součástí této velké rodiny.

Bez vás by IPSC nebylo tím, čím je.

DVC!

50 years of IPSC

Dear fellows,

The year 2026 is exceptional for our community. The International Practical Shooting Confederation – IPSC – is celebrating 50 years since its founding. Half a century during which a small group of enthusiasts has grown into the largest and most prestigious practical shooting organization in the world.

In May 1976, several shooters from around the world gathered in Columbia, Missouri, under the leadership of the legendary Jeff Cooper. Together they laid the foundations of a sport that unites three core principles:

Diligentia – Vis – Celeritas

(Accuracy – Power – Speed)

From that conference was born an organization that today unites more than 250,000 active competitors across 108 regions on every continent. Every year, hundreds of international matches take place worldwide.

That is why the entire year 2026 is dedicated to celebrating this milestone. Proof of this is also this year's IPSC Nationals, proudly carrying the official 50th anniversary seal – a reminder of where we came from and where we are heading together.

Thank you for being part of this great family.

Without you, IPSC would not be what it is today.

DVC!
